

QF152	CAMERA SURVEILLANCE CONSENT
--------------	------------------------------------

Enhanced Lifestyles (EL) and Lifestyle Assistance and Accommodation Service (LAAS) operate security devices at their offices and some service facilities to ensure the safety of employees, Customers/Clients, guests and property at these locations. The use of camera surveillance devices will comply with the Surveillance Devices Act 2016 and as described in the accompanying Q120 – Surveillance Camera Policy, including locations, restrictions, privacy and disclosure rules.

The purpose of these camera surveillance devices is to support the NDIS Quality & Safeguarding Practice Standards 2018 in guarding against violence, abuse, neglect, exploitation and discrimination and ensure a safe environment.
