

<b>QF160</b>	<b>MEDICATION PICKUP CHECKLIST</b>
--------------	------------------------------------

Employee must follow these steps while picking up medication:

1. Take a copy of the Customer/Client Medication Chart with you to the pharmacist
2. Check the webster pack against the information on the Medication Chart including medication type, dosage, and declare any errors to the Pharmacist
3. Fill form, and sign off at the bottom along with pharmacist
